**Subject:** Status of Jenny's Question on Public Comment for OR CZARA

Hi JB:

Jenny mentioned that you are investigating the following question:

For the items we might now be able to approve (e.g. new development, OSDS, others), do we need to go out for public comment on those items if we're planning to disapprove overall? Do we want to? Or do we want to simply only public notice the disapproval portions?

I was just wondering about the status of your investigation on this.
